N/A, Chilliwack, British Columbia

Downtown Chilliwack is changing rapidly; this property is one block from the 1881 project, which has been an enormous success and brought a highly desirable demographic to the area. Perfect for pharmacy, restaurant, entertainment venue, medical clinic, furniture store or fitness business. Located on a corner, the C3 zoned property is directly across from a large city parking lot and beautiful city park. The building has a newer roof, HVAC, exterior paint and awnings. Clean space is a 'blank slate' with mens & women's washrooms intact.

Victoria Avenue is now a one-way street between Young Road and Nowell Street, there's City parking lots adjacent, better street lighting, etc. (id:6289)
